Configuration:

MKPTI

Modular contact block with push-in connection

Operating Temperature

-40 ... 70°C ohne Beleuchtung
-40 ... 70°C with LED lighting

Mechanical Life

1.000.000 switching cycles

Rated Operating Voltage

24V DC IEC/EN 60947-5-1
250V DC IEC/EN 60947-5-1
60V DC IEC/EN 60947-5-1
125V DC IEC/EN 60947-5-1
240V AC IEC/EN 60947-5-1

Contact Type

1NO

Switching Function

Momentary function

Storage Temperature

-50 ... 85°C

Operating Travel

4.0mm

Series

Kontaktgeber MK...

Connection Type

Push-In

Protection Class Front

IP20

Material

Approbations

CE, UKCA

Illumination
