

Watchlist

	Technical data
	Product images

Configuration:

QRBUVOO_C0111

Emergency-stop

Operating Temperature

-25 ... 70°C

-30 ... 70°C

Storage Temperature

-40 ... 80°C

Release

Twist to release left/right

Anti Block Collar

Yes

Class of Protection

II (protective insulation)

Switching Function

Latching function

Contact Type

2NC

Rated Operating Voltage

35V DC IEC/EN 60947-5-1

35V AC IEC/EN 60947-5-1

Shape

round

Electrical Life

50.000 switching cycles

Mechanical Life

50.000 switching cycles

Mounting Aperture

Ø 22,3mm

Series

QUARTEX® connect

Approbations

CE, UKCA

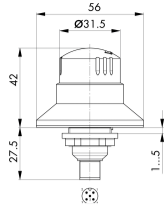

Front Bezel Color

yellow

Illumination

yellow
