

Datasheet

→ RRJVASSA14

11/04/2024

Technical Data

Key actuator, maintained

Series RONTRON-R-JUWEL

Rubric Key switch

Shape round

→ General Data

Illumination No

Protection class IP65

Approvals CCC, CE, cURus, UKCA

Operating temperature -25 ... 70 °C

Storage temperature -50 ... 85 °C

Mounting aperture Ø 22.3 mm

Front frame color Stainless steel, glossy

→ Mechanical Data

Tightening torque (fastening nut) max. 1.5 Nm

Mechanical life 30,000 Switching cycles

Switching function Maintained

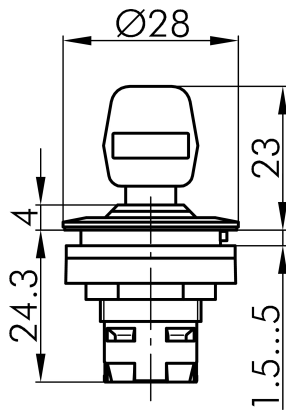

Switching position
0° Key removal
90° maintained

→ Note

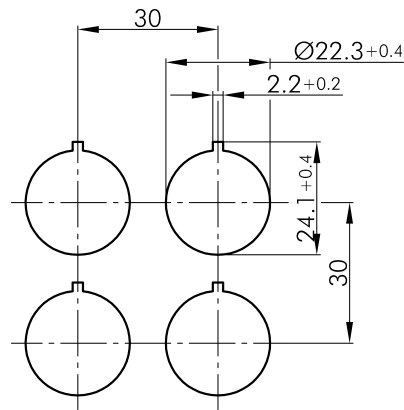

- high UV and moisture resistance
- life-time at -40°C max. 50,000 (using CT...)

Technical Drawings

→ Dimensional drawing

→ Cutout dimensions

→ Position indicator
