

RRJ_LWL_LC_OM2

22.01.2020

**Optical fibres
LC jack/LC jack**

General Data

Type reference	RRJ_LWL_LC_OM2
Description	RJ45 jack with screen
Degree of protection	IP00
Connection type	LC connector (duplex) MM
Max. storage temperature	-50°C ... 85°C
Max. operating temperature	-40°C ... 75°C
Mechanical life	500 mating cycles

Technical data

Mounting aperture	22.3 mm
Tightening torque (mounting nut)	max. 1.5 Nm

Note

With dust cover

Front ring
 ...silver-coloured (standard)
 VA ...stainless steel polished
 SW ...black

Optical features
 Insertion loss: max. 0.4 dB
 Return loss: min. 30 dB

Connection: push/pull
 Tensile strength connection: ≥ 40 N

Standards
 Interface connector: IEC 61754-20
 EN 50377-7
